

HDO® PADS

RECOMMENDED TOOLS: LONG THROW DA 4 MINI LONG THROW 5

DESCRIPTION

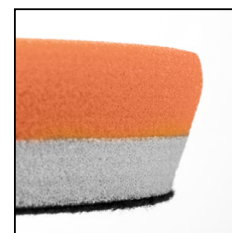

Heavy Duty Orbital (HDO®) pads are designed for long throw polishers specifically, to offer a durable DA foam pad option. The dual layer design feature incorporates the benefits and concepts of both thick and thin pads, as well as the advantages of a tapered profile and exact fit style pads. This helps create a user-friendly experience with impressive results while offering performance benefits to the operator.

The HDO® line consists of a heavy cutting fiber pad and light cutting one step fiber pad along with a variety of foam pads to dial in your polishing process.

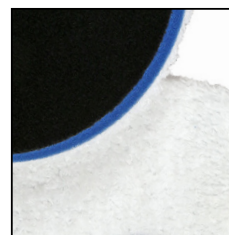

FEATURE	BENEFIT
Tapered Edge	Prevents pad rolling and provides great pad rotation. Great for curved and contoured panels. Allows for precision polishing in tight areas.
Center Ventilated Cooling Channel	Dissipates heat away from the center of the pad, reducing temperatures and increasing durability. The system also allows for perfect pad alignment.
Dual Layer <i>(Foam Pads Only)</i>	Our dual layer design foam reduces lateral/horizontal movement, resulting in a reduction of molecular friction inside the pad which increases durability by eliminating excessive heat & reduces foam fatigue.
Stay Cool	HDO pads block heat transfer between layers and offer the same benefits of a thin pad (maximizing the power of the polisher by reducing foam movement or "absorption"). Along with the benefits of a thin pad, the design and shape offer proper weight and weight distribution for maximum performance.
Shape & Design	Design offers even pressure distribution like an exact fit pad, but shape/profile offers the precision and safety of a tapered pad.

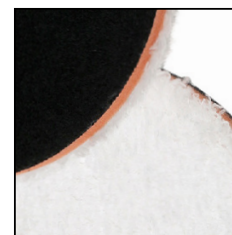

DUAL LAYER DESIGN

TAPERED EDGE

HDO® HEAVY CUTTING FIBER PAD

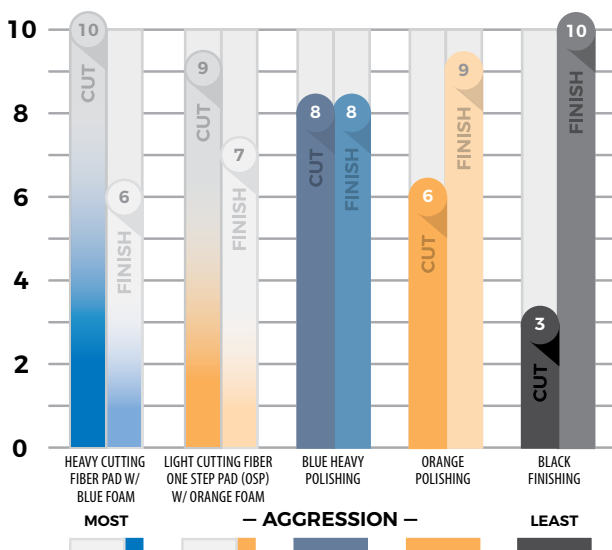

HDO® FIBER ONE STEP PAD

See page 2 for part numbers.

Notes: 3" pads have no hole - 5 & 6" contain center hole. All pads bagged individually.

HDO® PADS	DESCRIPTION	DIMENSION	PART #	QUANTITY PER CASE
3-1/2" PADS (NO CENTER HOLES) FIT 3" BACKING PLATE				
	Heavy Cutting Fiber Pad w/ Blue Interface	3-1/2"	HDO-350F	24
	Light Cutting Fiber One Step Pad (OSP) w/ Orange Interface	3-1/2"	HDO-350F OSP	24
	Blue Heavy Polishing Pad	3-1/2" X 1"	HDO-93350	24
	Orange Polishing Pad	3-1/2" X 1"	HDO-23350	24
	Black Finishing Pad	3-1/2" X 1"	HDO-73350	24
5-1/2" PADS FIT 5" BACKING PLATE				
	Heavy Cutting Fiber Pad w/ Blue Interface	5-1/2"	HDO-550F	24
	Light Cutting Fiber One Step Pad (OSP) w/ Orange Interface	5-1/2"	HDO-550F OSP	24
	Blue Heavy Polishing Pad	5-1/2" X 1"	HDO-93550	24
	Orange Polishing Pad	5-1/2" X 1"	HDO-23550	24
	Black Finishing Pad	5-1/2" X 1"	HDO-73550	24
6-1/2" PADS FIT 6" BACKING PLATE				
	Heavy Cutting Fiber Pad w/ Blue Interface	6-1/2"	HDO-650F	24
	Light Cutting Fiber One Step Pad (OSP) w/ Orange Interface	6-1/2"	HDO-650F OSP	24
	Blue Heavy Polishing Pad	6-1/2" X 1"	HDO-93650	24
	Orange Polishing Pad	6-1/2" X 1"	HDO-23650	24
	Black Finishing Pad	6-1/2" X 1"	HDO-73650	24
